**M/s.:** Alico Egypt  
**Subject:** Authorized Fabricator for Wicona in Egypt

**TO WHOM IT MAY CONCERN**

Dear Sir, Madame,

We hereby certify that Alico Egypt is qualified to fabricate and install our comprehensive Aluminum Systems in their premises and production setups and they meet our standards and requirements to undertake any project using Wicona products in the Egypt.

Considering Alico Egypt is Wicona's authorized fabricator in Egypt, we hereby confirm our intention to share and extend all our technical expertise in the project segment, starting from selection of products, design, logistics, fabrication and installation, throughout the project in line with our own standards and prerequisite performance noting that All our systems are certified and tested based on the international norms and standards (EN, BS, ASTM, AAMA).

Furthermore, all our profiles will be extruded by Wicona approved extruders in Egypt and Middle East, which means that all deliveries are 100% supplied and guaranteed by Wicona as we manage the full procurement process.

Alico Egypt can count on the full support of WICONA technically and logistically in order to provide the highest service and quality as per system recommendations and guidelines.

Should you require any further information or details, please do not hesitate to contact the under signed.

Best Regards,  
Ahmad JOUNAIDI
